Hi Michael,

I was just trying to call you to let you know I spoke to Sergio, he informed me his computer crashed, and his flight was delayed! With Sergio's computer issue and both of us traveling, if you would kindly wait until Monday that would be perfect. I have not yet spoke to the Team regarding your most recent emails.

Thank your patience, your emails are extremely important to us
Respectfully,
Tita

Hi Tita,

I was wondering if I'd be receiving something today. If your people have been too busy, do you think I can receive something Monday?

I will probably need to conclude my analysis on Tuesday.

Thanks, and have nice weekend!
Michael
